

Call for Partners – To members of EMRBI Research Interest Committees

This is a Call for Partners for a proposal for a three year ERASMUS Intensive Program, entitled “Cross – Cultural Management” to be submitted shortly for approval and funding from the ERASMUS authorities.

Members of EMRBI Research Interest Committees wanting to become partners in this program are hereby invited to fill the attached “Expression of Interest Form” and return it by e-mail to Vagelis Tsoukatos (tsoukat@sdo.teicrete.gr) not later than the 15th of February. Needless to note that the more the program’s partners, the better are its chances to be approved and funded.

We are looking forward to receiving your answers.
