10th INTERNATIONAL COMMODITY SCIENCE CONFERENCE

IComSC’ 09

IGWT Symposium Series

CURRENT TRENDS IN COMMODITY SCIENCE

POZNAŃ UNIVERSITY OF ECONOMICS

FACULTY OF COMMODITY SCIENCE

Polish Commodity Science Society

17th – 18th September 2009
Poznań, Poland
Dear Colleagues,

Each second year the Faculty of Commodity Science at the Poznań University of Economics organizes IComSC – an International Commodity Science Conference. The last one 9th IComSC’09 was held in 2007. Continuing the tradition of fruitful meetings of this series, the organizers cordially invite all interested academic researchers and industrial practitioners to attend the next, jubilee 10th IComSC’09 devoted to “Current Trends in Commodity Science” scheduled on 17th – 18th September 2009. There will be session “Food quality today and tomorrow” organized together with Poznan International Fair in the frame of Polagra (specialized fairs and exhibition, New Europe's biggest trade show for food and agriculture's products) with the possibility of visiting Fair Grounds on September 17th.

10th IComSC’09 will be held as the IGWT Symposium. Those, who already have been in Poznań will have opportunity to see it again, newcomers – possibility to become familiar with this interesting place. Information about the Faculty can be found on www.ae.poznan.pl/commodity

Kind Regards
Yours sincerely
Chairman of the Organizing Committee
Prof. Dr. Zenon Foltynowicz
